

# ECA

ENVIRONMENTAL CONTRACTORS ASSOCIATION

## Certificate of Membership

### *International Asbestos Removal, Inc.*

*This certificate serves to confirm that the above Corporation is a member in Good Standing of the Environmental Contractors Association of New York City. The Corporation is involved in the Association and its activities. When organizations do business with a member of the Environmental Contractors Association, they can be assured that they are selecting from the very best companies in the environmental construction industry. The ECA has established a Management-Labor Safety & Compliance Program in order to provide unprecedented value and quality work to the greater construction industry and is continually working to raise standards throughout the environmental construction industry.*

*Dated: August 2010*
