Dear Ms. Grando:

Thank you for renewing your membership with the New York Building Congress at the Regular level. As a member, you join many exceptional peers who share your dedication to the building and construction industry in New York City. Since 1921, the Building Congress has been committed to a collective goal – advancing an industry-wide agenda to improve the City's economy and promote the long-term success of the building community.

The Building Congress is enormously proud of our advocacy efforts on the city, state and federal levels of government. In 2024, we will continue to advocate for policies and initiatives that promote the growth and prosperity of our industry, and your support as a member is vital to our success.

If you have any comments or questions about our work as the year progresses or if there is a particular issue you would like the Building Congress to address, please let us know. Our Directors and staff appreciate your generous support and look forward to working with you and your colleagues in the year ahead.

Very truly yours,
